THE JANUARY CLASS OF 1958

PRESENTS ITS

Tribute To Youth

EPILOGUE

In these troubled times, great interest is centered upon the behavior of youth in American life. Too often, youth is characterized by intemperate critics as being maladjusted, emotionally unstable, and in a constant state of social revolt against their elders.

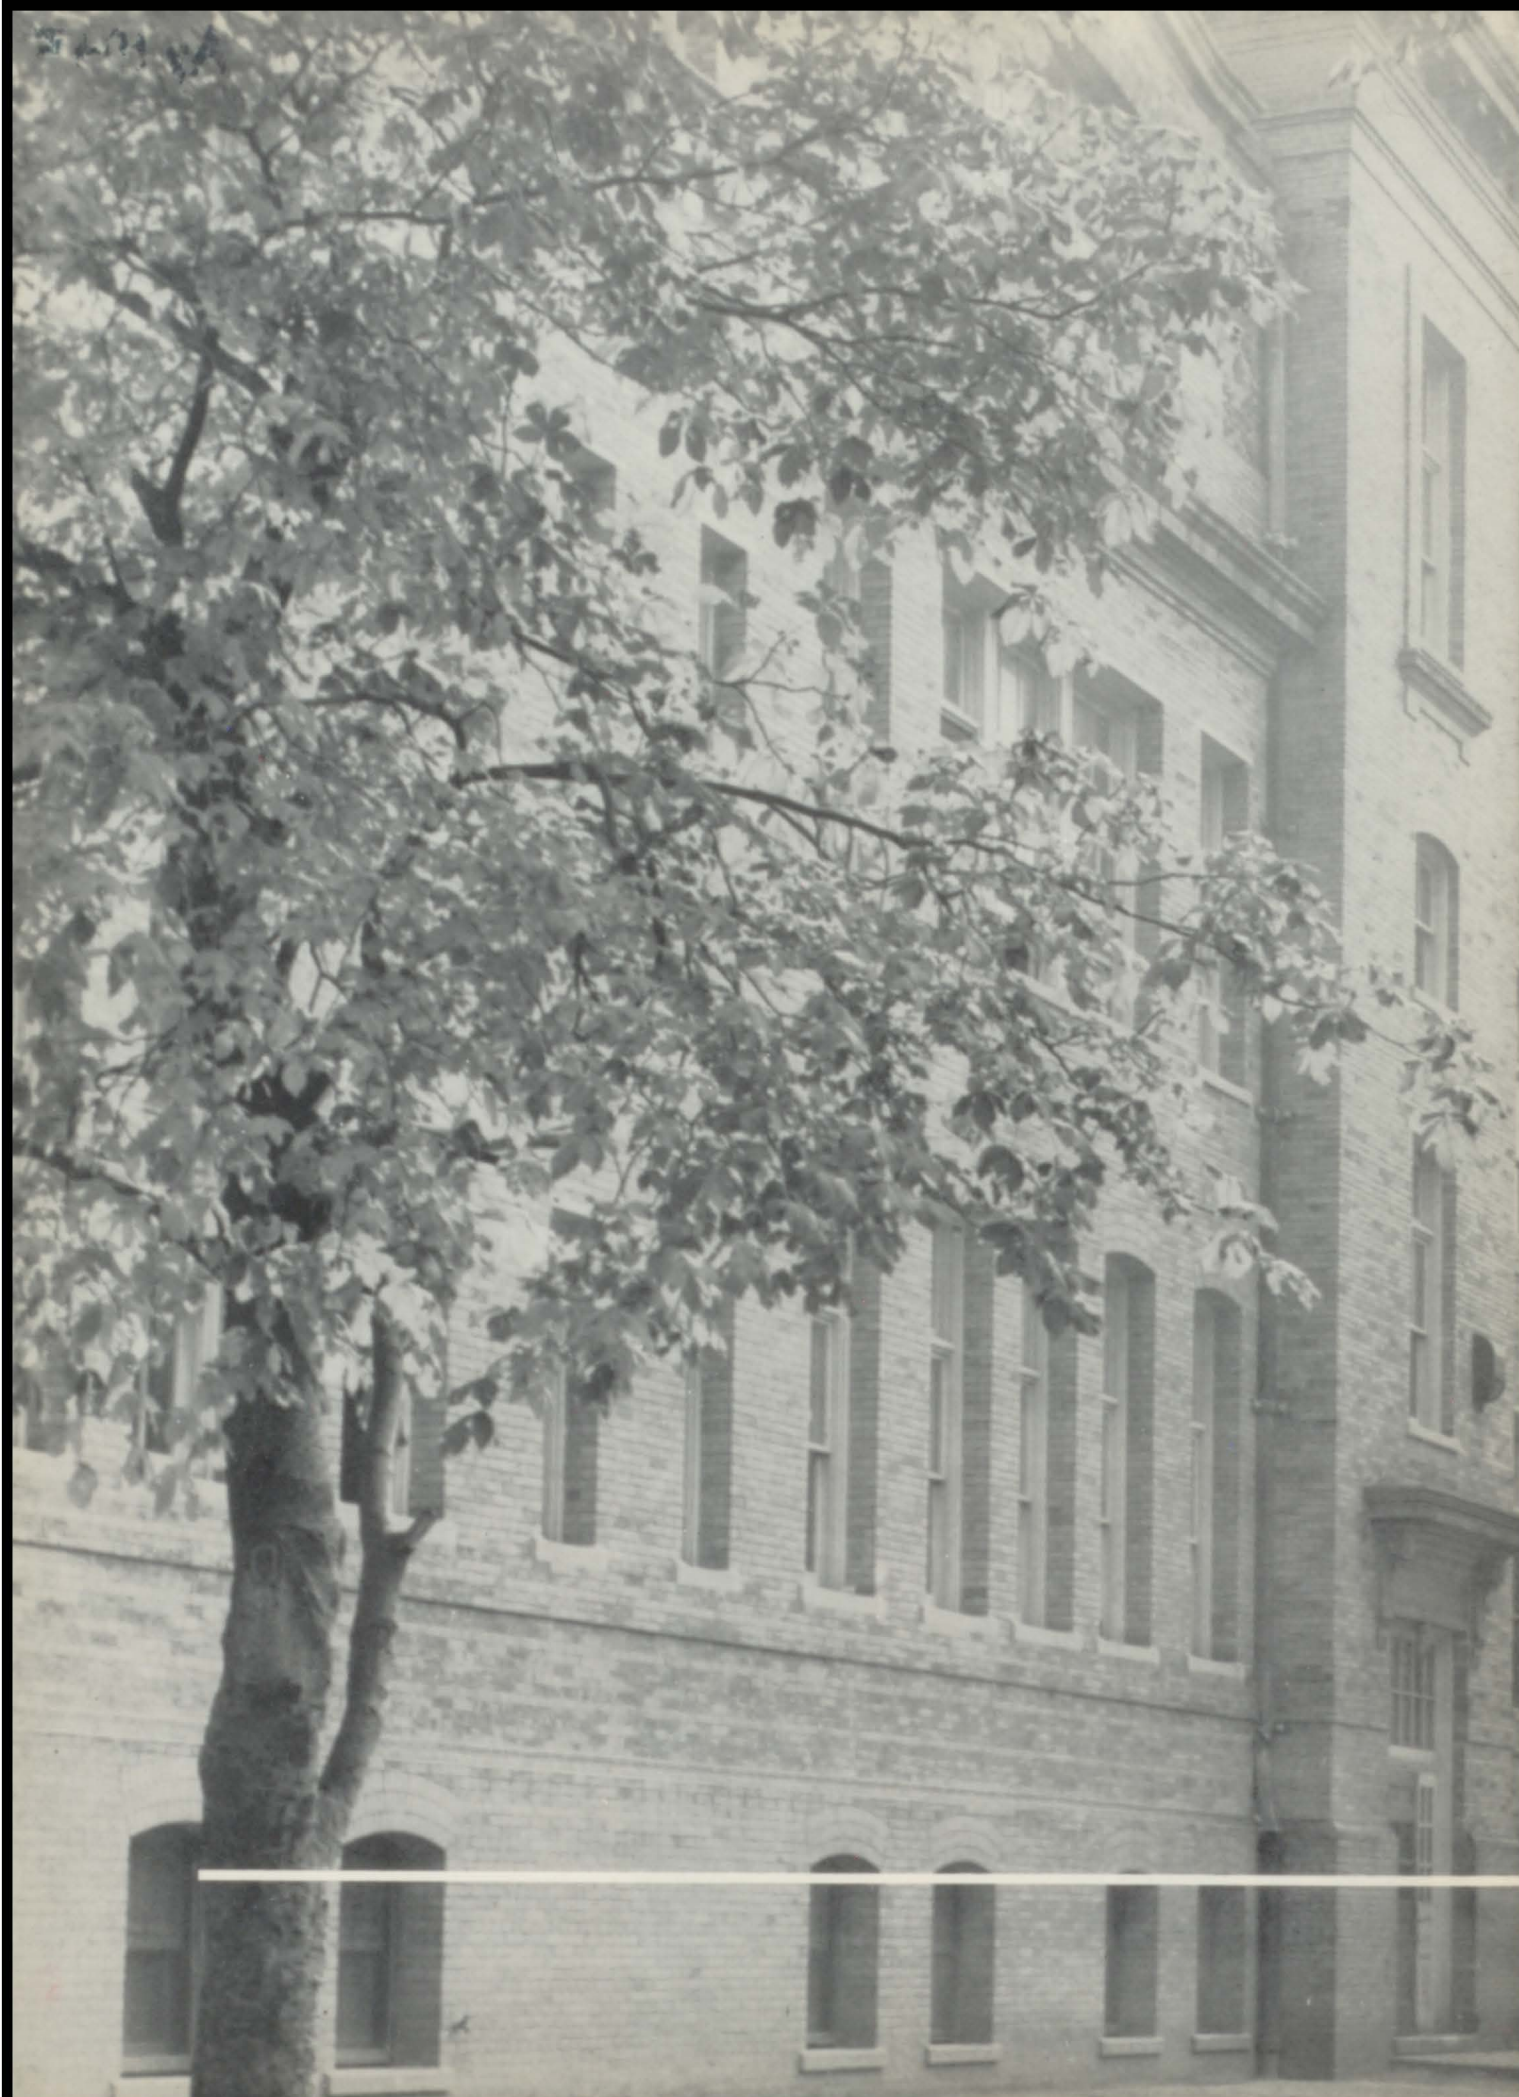

The editors of this Yearbook took a careful look at the activities of the Barringer senior class, and they came to the conclusion that the current estimate of youth is inaccurate. The editors feel that the vast majority of young citizens are working hard and conscientiously to become the leaders of the future.

This Yearbook is the story of youth's efforts to learn how to be tomorrow's effective citizens.

BARRINGER HIGH SCHOOL

NEWARK, NEW JERSEY

MAN of the YEAR

TIME

American youth looks to its educators to cast a mold from which it can shape its destiny. Barringer High School has been blessed with a man—MR. ANTHONY NAPORANO—whose actions have served as a shining example and an encouraging inspiration to the youth of Barringer High School.

As a result of his active philosophy, sports training and coaching at Barringer High School have been a means to a specific end—the goal being the development of intelligent, healthy, wholesome boys and girls motivated by the finest character instincts and ideals.

To us, Mr. Naporano typifies an ideal American teacher, who has conscientiously devoted his life's efforts to leading youth in a positive direction of achievement. Because of his unswerving loyalty and interest in our behalf, we, THE CLASS OF JANUARY 1958, to show our appreciation, DEDICATE this Yearbook to MR. ANTHONY NAPORANO.

In Memory of Our Beloved Principal and Friend

DR. ROGER B. SAYLOR

Every so often, a great and distinguished educator appears on the scene to give the guidance and leadership necessary for successful education. This page is dedicated by the January Class of 1958 to the memory of just such a man—our late and beloved principal and friend, Dr. Roger B. Saylor.

Through his thirty-nine years of devoted service to Barringer High School as a teacher, chairman of the science department, and then as principal, Dr. Saylor had become synonymous with the growth and achievements of Barringer High School.

This page depicts, we feel, the dynamic and very human personality of Dr. Saylor. While he was a man of high ideals and demanded the best from his students, Dr. Saylor was a man of great understanding, compassion, and sympathy for the frailties and short comings of his fellow human beings.

Dr. Saylor was an educator, who long before the shock of Sputnik, recognized that the power of this nation depended upon the technical skills and know how of its people. Therefore, he constantly stressed the value of scholarship, encouraged academic achievement, and sound character training for effective citizenship. Dr. Saylor always urged his faculty to teach above the level of their students so that we would be challenged to extend our efforts beyond our imagined limitations.

Our former principal was always an approachable and friendly man, whose office door was always open to those of us with small and big problems. He was a "shirt sleeved" principal who worked long and arduously to make Barringer the best possible school.

Dr. Saylor often remarked that he had great faith in the young people of America. We will do our best to live up to his faith and trust in us.

Barringer started its second season with great success by holding Kearny, last year's State soccer champs, in a scoreless tie. We were fortunate in having many of the boys from last year's team. They were confident from the beginning that they would have a winning season. This, they did by taking the city title and placing fifth in the state. They won seven games, lost two, and tied three. They lost to Weequahic in a heartbreaker, and to Irvington Tech. Ray Salvagno and Ray Russo were our leading scorers.

COACH JOE BAYER

Outdoor Track Team

RONALD DEL TUFO

His excellent hurdling and javelin throwing have been a great help to the Big Blue.

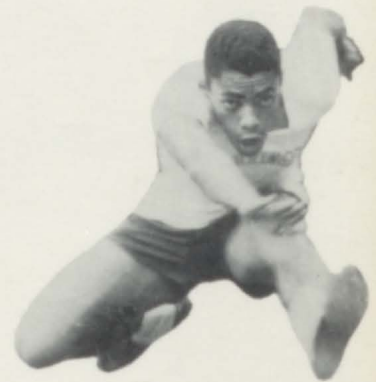

CARL FARRELL

Agility and dexterity made him one of our finest low-hurdle men.

FRANK ANTONACCI

A fast sprinter and strong with the shot-put.

BARRY WHITE

Another of our fine low-hurdle men. His fast running has brought us many points.

NICK FORTE

A good man on the 100 yard dash. He helped to make the Blue city champions.

JOHN CASTELLANO

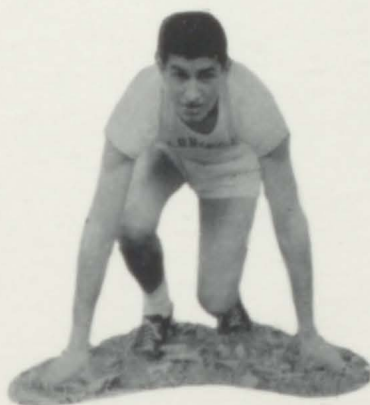

A good distance runner but injury prevented him from finishing the season.

ROBERT FIORINI

Besides being a fine javelin thrower, he is a fast man on the 220.

Off and Running CROSS COUNTRY

COSMO ALAGNA

A three year veteran to our Cross Country team. His excellent running made him a valuable asset to the team.
